Mike – Got your email about the 22nd. I guess you did tell me the right date, because that is what I relayed to ERT after we spoke last week. (see email below)

I blocked off my calendar to hold the date and Jean Bolduc has already let me know he is available. Jeff may not be available, but I think its worthwhile to sit down with Jean even if Jeff can't be there.

Jeff and Jean – Just wanted to put it out there that Mike Scorca the hydro will be in Edison on July 22nd (Wednesday). If it would be helpful to sit down and talk through some specifics or answer any questions Mike and I can both be available for a meeting that day. I live in NJ so coming to Edison is no issue for me.

I'm out the rest of this week, but let me know next week if it would be helpful/good timing.
